

Arrival by taxi to the Chair of Prof. Spoerer

If you take a taxi please do NOT specify as destination "Universitätsstraße 31", otherwise you will end up at the other end of the university (see the black circle on the map below). Please specify "Albertus-Magnus-Straße, Ostende des Tunnels" (it means the east end of the tunnel in the Albertus-Magnus-Street), then you get out of the taxi directly in front of our offices (see the black box below).

In the building "Philosophy/Theology" take the first corridor to your right. The office is behind the fourth door on your right hand side (PT 3.0.9).
